PROFESSIONAL SUMMARY

I am a Computer Science student at Miva Open University with a perfect CGPA of 5.0/5.0 and a strong foundation in software development, web technologies, and UI/UX design. I have hands-on experience in building responsive websites, designing user-friendly interfaces, and applying cybersecurity best practices. I am eager to contribute my technical expertise, creativity, and problem-solving skills to real-world projects while growing as a professional developer.

EDUCATION

Miva Open University — Abuja, Nigeria
